

**SYED HARIS SYED YAHYA** is a partner in the Infrastructure & Construction practice group. He holds a Bachelor of Laws (Hons) degree from the International Islamic University of Malaysia.

Haris was admitted as an Advocate & Solicitor of the High Court of Malaya in 2007 and since then has been involved in the construction industry for various sectors including oil & gas, power, renewable energy, development and infrastructure. He was practising in the construction dispute resolution department before leaving for Sime Darby Energy & Utilities as a Senior Legal Advisor.

He re-commenced practice in early 2012 and currently focuses on the corporate side of practice specialising in construction, infrastructure, oil & gas and energy. He was recognised as recommended solicitor for energy & utilities in Legal 500 in 2007.
