

# PU(A) 109/2020: Prevention and Control of Infectious Diseases (Measures Within Infected Local Areas) (No.2) Regulations 2020

## Key Highlights on the Regulations

Effective from 1 April 2020 to  
14 April 2020

Journeys from one place to another within any infected local area are not allowed except for the following purposes:

- to purchase food, daily necessities, medicine or dietary supplement;
- to supply or deliver food, daily necessities, medicine or dietary supplement;
- to seek healthcare or medical services;
- to perform any official duty; or
- to perform any duty relating to essential services.

Conditions for movement:

- purchase food, daily necessities, medicine or dietary supplement; or seek healthcare or medical services within the radius of 10km or less from residence and not be accompanied by any other person unless reasonably necessary or for medical purposes; and
- mandatory to produce an authorization letter in order to perform official duty or any duty in relation to essential services if required by authorized officer.

Movement may be allowed due to special reasons but prior written permission of police officer shall be obtained

Ban on gatherings, except for small-sized funerals

Movement to carry works on infrastructure may be made:

- if it is related to essential services; or
- if not carried out would affect the safety and stability of the infrastructure.

Citizen returning from overseas shall undergo health examination

Any person shall comply with the request for information by authorized officer

Offence:

- For individuals: Fine not exceeding RM1,000.00 or imprisonment not exceeding 6 months or both;
- For body corporates: Any person who at the time of commission responsible for the management of the affairs may be charged jointly or severally unless defences can be proven.
